Butane Battery® Gas Cartridges

Gas power is portable power for lighting, heating and cooking appliances. Butane Battery® cartridges look good and pack a punch. 'Blue Flame' clean means:

- No spluttering, spitting or guttering
- No gummy buildup
- No dangerous residues
- Burns clean with no smell
- Clean 'blue' flame
- Increased safety
- High performance even in the cold
- Longer life
- Added safety
- Fully factory batch-tested for absolute purity
- A4 220g gas cartridge for use with the BS102S and BS100S Portable gas cookers, Catering Gas Blowtorch and Flametastic Pro.
- R4 125g cartridge used with the Refillable Blowtorch
- A4, S4, S6, D2, D4, P2, R4 and Catering Cartridge. Cans are made of high quality steel and alloy. Manufacture is fully automated with integrated testing for optimum fill levels.
